A bonfire shall not be conducted within 50 feet of a structure or combustible material unless the fire is contained in a barbecue pit. Conditions which could cause a fire to spread within 50 feet of a structure shall be eliminated prior to ignition. All fires must be constantly attended until extinguished and a means of extinguishment such as water hose, water barrel, sand barrel, or extinguisher with minimum rating of 4A shall be close by. Fires which are objectionable or a nuisance because of smoke or odor conditions will not be allowed. Fires will not be allowed during unfavorable times such as strong winds or dry conditions. Only clean, dry, seasoned firewood can be burned. Fires are not for waste disposal. Permit holder agrees to abide by these rules and will extinguish the fire when ordered by an authorized official.
